PAST LIFE EXPERIENCE/KARMIC CARRY-OVER

As a LOVING NUTURER and FAMILY PROVIDER, Anthony Q Warner had a strong ability to INSPIRE OTHERS to REACH their FULL POTENTIAL.

Anthony gained respect for his fine MUSICAL and other ARTISTIC talents.

Since Anthony gained all MEANINGFUL EXPERIENCES through his FAMILY during this past lifetime, Anthony, during this present lifetime, must now work to go beyond any small circle of friends he may presently be involved with.

ANTHONY WARNER'S SPIRITUAL EVOLUTION UPON ENTERING THIS LIFE

(Anthony Warner's "POSITIVE"/"NEGATIVE" KARMIC ACCUMULATION through his PAST LIVES)

As a FIXED, DETERMINED, and HARDWORKING individual Anthony can become a WORKAHOLIC. Anthony finds very little time to enjoy fun and amusement. This could be DETRIMENTAL to Anthony's HEALTH if he does not apply some restraint to that work activity on occasion. This workaholic attitude may spring from a resentment of the burden of some form of heavy work in Anthony's childhood.

Anthony has a respect for authority with a wish to be considered an authority himself.

A tendency for MODERATION and CONSERVATISM runs deep in Anthony's consciousness.

Anthony is well aware of other people's motives.

Although he is inclined to be somewhat obstinate, Anthony is fundamentally practical, organized, and particularly good at maintaining the daily routine of business or office. Anthony has learned to discipline his subconscious tendency to restlessness and changing the routine to suit himself, now working for the good of the organization.

Anthony prefers a job where he knows the routine and does not have to deal with greater responsibilities and personal problems of employees. Anthony's loyalty to the organization can bring Anthony a supervisory role that Anthony can handle well. Anthony's lack of the intense self-sustained drive necessary to reach the top of the competitive totem pole will keep Anthony from achieving the pinnacle of his field or organization.

Opposition is not handled well by Anthony as he thinks he has everything working well enough. This can cause outrage and indignation since Anthony does not feel anyone has the right to change the precision machine he operates.

Emotions are dealt with in a similar manner that Anthony deals with life itself. When challenged, Anthony reacts with STUBBORNNESS, ANGER, and DEEP RESENTMENT.

Anthony likes to be one of the crowd.

Experiencing or witnessing injustice brings a moody state over Anthony which leads to him developing a deep dislike and hatred.

LOYAL and INTENSE in LOVE, ROMANCE, and MARRIAGE, Anthony is generally FAITHFUL to his partner. Once attached, Anthony becomes a POTENT and CONSCIENTIOUS partner taking PRIDE in HOME, FAMILY, POSSESSIONS, and WORKING HARD to PROVIDE the necessities for the relationship. This can easily change if Anthony's partner refuses to support or encourage Anthony when work is not going well for Anthony. This lack of support and encouragement

brings a vulnerability to the charms of another more willing to build Anthony's pride and sense of worth.
